SUBJECT

REFERENCE

TO Dr. R. E. Kelly

Dear Emmet,

I enclose part of a report from a recent meeting in Rochester of the Vinyl Chloride Safety Association.

I was interested in item b top of page 15: is this a fact or just conjecture?

I have heard nothing recently about the vinyl hand syndrome.

From the desk of
W. F. WILLIS

Very best regards,

Bill

Wm. E. Nessel, M.D.
