Re: Compliance Evaluation Inspection
Underground Injection Control Class I Well
Sterling Ventures, LLC

Dear R. L. Maxwell:

On July 27, 2023, the U.S. Environmental Protection Agency conducted compliance evaluation inspections of the below listed Underground Injection Control Class I injection well in Gallatin County, Kentucky. The inspections were conducted in accordance with the Safe Drinking Water Act (SDWA) (42 U.S.C. § 300 j-4 (b) and (c)) to evaluate compliance with the SDWA requirements.

<u>Permit No.</u>	<u>EPA ID #</u>	<u>Well Name/No.</u>
KYI01061	KYS0770001	Injection Well #1

The attached inspection report includes EPA's observations from the inspection and should not be construed as a final compliance determination. EPA may continue reviewing information from the program records and the compliance inspection to further evaluate site compliance. While a response from you is not required at this time, if you wish to respond to the inspection report, provide additional information, or otherwise discuss the report, please contact Carol Chen at (404) 562-9415 or by email at Carol.Chen@epa.gov.

Sincerely,
