Real beauty with a tough skin!

YES, IT HAS BEEN DONE – Just as polished marble combines *beauty* with *durability* – this "Dutch Boy" product has been scientifically *engineered* to unite rugged wearing qualities with a rich finish. Formulated by experts with every modern facility at their command... with thousands of paint tests as a background of experience...

"DUTCH BOY" PORCH AND FLOOR ENAMEL brings you a quick drying, easy to use finish that combines weather and abrasion resistance with *real lasting beauty.*

Use it for every surface subject to scuffing and hard wear or weather.
