

4/16
CALIFORNIA CHEMICAL CORPORATION

NEWARK, CALIFORNIA

May 23, 1932

Dr. Robt. H. Kehoe
College of Medicine
University of Cincinnati
Cincinnati, Ohio

Dear Sir:

We have received your letter of May 19th indicating a treatment in case of Tetra-Ethyl Lead poisoning, for which we wish to thank you. We have taken the liberty of forwarding a copy of your letter to Dr. A. S. Davis, who attended the patient.

The man is apparently in perfectly normal condition now and is able to do his usual routine work.

Thanking you very much for your courtesy, we remain

Very truly yours,

CALIFORNIA CHEMICAL CORPORATION
