Q Did you put a respirator on?

A If I was going to be in there for a long period of time, I would, but mostly I was all over the plant.

Q Did you wear a respirator when you walked all around the plant?

A No, I didn't.

Q Now, did you ever personally conduct any dust studies on the amount of dust given off when Kaylo was cut?

A No, sir.

Q I want to take you back to early 1960s, '62, '63.

Were you aware of a study that was done by the Union Carbide people, by Dr. Robert Peele, about the amount of dust given off by Kaylo?

A Yes.

Q And tell the jury briefly the circumstances of those communications you had.

A Communications was through an R and D review meeting, which is a research and development review
