the Court Clerk's assistance in pulling down the screen, I would like to go ahead and put one of the overhead projector things up that you were questioned about this morning.

(Whereupon, the witness left the witness stand.)

(Whereupon, the document was published to the jury via the overhead projector.)

BY MR. WILLIAMS:

Q This is the Lorimer study from 1976, as we discussed this morning, correct?

A Yes.

Q I think in addition to talking about some of the material from this page, you were shown another page from this study, and let me just set this right here.

In fact, I think you discussed the highlighted portion here and the implications of that; is that correct?

A I did.

Q Okay. Now, I would like to talk to you
