Subject: Shanghai Health Study - U of Colorado Grant Extension

Dear Richard,

The Benzene Health Research Consortium supports your request to extend the grant to the University of Colorado for the Shanghai Health Study. The consortium approved the "no cost extension" to year-end 2008.

Additional activities to be completed for this to be finalized include:

- Acceptance of the justification per API procedures - Continue to work with Russ White.
- Provide to API a revised payment schedule to the U of Colorado in order to complete the study under current funding. The new payment schedule will be incorporated into the amended grant.

Thank You for your dedication to this project. We look forward to a successful outcome.

Best regards,
Patsy
