Corporation in 1929. In the 1960's Long merged with Borg & Beck.

Rockford clutches were designed, manufactured, processed, specified, sold, distributed and patented by Rockford a division of Borg-Warner Corporation beginning in 1928 and concluding in 1986.

Spring Brummer Division, now known as BorgWarner Transmission Systems Inc. manufactured asbestos-bearing disc brake pads, automatic transmission friction plates and transmission bands. Disc brake pads were manufactured for a limited market for model years 1971 to 1975. Asbestos-bearing automatic transmission bands were manufactured from 1967 to 1982, asbestos-bearing automatic transmission friction plates were manufactured from the early 1950's until 1983.

INTERROGATORY NO. 21: Were any of the products, which were listed in response to Interrogatory No. 19 as having been specified, sold, distributed, applied or installed by Defendant, its predecessor or related company(ies), purchased from another company and relabelled for sale or distribution by Defendant, its predecessors or related companies? If so, identify those products, and with respect to each:

(a) Identify the company from which Defendant, its predecessor or related company purchased the product; and,

(b) Identify the company which manufactured the product; and,

(c) State the date(s) during which said re-labeled product was sold, distributed or applied.

ANSWER TO INTERROGATORY 21.

Borg-Warner did not relabel asbestos-bearing manual clutch facings, the facings were purchased from various friction materials suppliers and incorporated into its manual clutch assemblies. Borg-Warner did not separately resell those friction materials under the Borg-Warner name or trademark but the friction materials were used as components in Borg-Warner's clutch products as specified by and sold to the Original Equipment Manufacturers.

INTERROGATORY NO. 22: Has this Defendant, at any time, applied, contracted to apply, installed or engaged in the business of applying or installing, asbestos-containing products? If so:

(a) State the date(s) on which or during which Defendant applied, contracted to apply, installed or engaged in the business of applying or installing asbestos containing products;

(b) Identify any and all sites within the State of Illinois at which Defendant applied, installed or contracted to apply or install asbestos-containing products, and for each such site:

(i) State whether the products you applied, installed or contracted to apply or install were included as part of the project's contract price or whether you applied the
