JAR OF TOMATOES BACKTIES

SAN FRANCISCO (U.P.) — Mrs. Louisa Lamorti was the victim of a tomato jar that hit back. She took the jar of tomatoes from her cupboard and tried to unscrew the cover. It stuck. She then fastened her teeth on the rubber band beneath the cover and yanked. The jar broke and hospital stewards patched up the gashes on her chin after first removing the tomatoes from them.

THEN AND NOW

Recently the papers carried the story of Cyril Walker. . . Before and after he beat out Bobby Jones for the 1924 open golf championship, he earned more than \$100,000. . . Now, broken in health and fortune, he caddies on a municipal course at Miami. . . The other day he earned \$1.10. . . He spent 25 cents for lunch, 30 cents for car fare between Miami and Miami Beach, leaving 55 cents for a bed and two more meals.

When Kilian and Vopel began winning all the six day bike races, the promoters split 'em up. . . Then the Peden brothers from Canada got hot and now they're being made to ride on different teams.

Left Grove's son, a freshman pitcher at Duke, pitches up his leg just like his famous pop. . . Jolie (Big Chief) Chitwood, only Indian race driver in the world, will pilot one of Hollywood Bill White's cars in the 500-mile Indianapolis classic this year. . . Turned out by a St. Louis firm.

HIGH-INTENSITY IN-DRAMA

PORTERVILLE, Cal. (U.P.) — Frank Toothaker, male lead in the Junior college dramatic company, has demonstrated that dramatic emotion can be elevated to high intensity. While "emoting" in a play, he was called upon to beat his knees with his handcuffed hands, which he did. It was only when blood was found coursing down his leg some time afterward that he discovered he had gashed himself.
