"POPPY DAY" AIDS WORLD WAR VETERANS

Monterey peninsula will be called upon to honor the World War dead and give aid to the war's living victims by wearing memorial poppies on May 28th. This day, the Saturday before Memorial Day, will be "poppy day" throughout the United States and will be generally observed by the wearing of the little red flower of Flanders fields.

Observance of "poppy day" here will be directed by the American Legion auxiliary. Women of the auxiliary will distribute poppies on the street and receive contributions for the auxiliary's welfare and relief work among the disabled veterans and their families.

Organization of a corps of volunteer workers to distribute the memorial flowers throughout the peninsula is going forward rapidly under the leadership of Mrs. Cornell Culp, chairman of the auxiliary's poppy committee. A large supply of poppies has been ordered from the Palo Alto hospital, where disabled veterans have been given employment during the winter and spring making the little red paper flowers.

The purpose of "poppy day" is to give every one an opportunity to pay individual tribute to the men who gave their lives in defense of the nation. The little act of wearing the poppy touches the individual more closely than large public ceremonies in which he is only a spectator and awakens a realization of the individual responsibility to the nation, so greatly needed at this time. "Poppy day" also gives every one an opportunity to share in the vast work which the American Legion and auxiliary are doing for the disabled men, their families and the families of the dead.

LEGION AUXILIARY INITIATES MEMBERS

Mrs. Percy Sowell was installed as chaplain and six new members were initiated into the American Legion auxiliary at its meeting Thursday night.
