

1:07:58:19 Research On Cancer?

1:08:00:15 A You may continue on with this, but I
1:08:02:18 don't know.

1:08:02:18 Q How about the Surgeon General of the
1:08:05:09 United States?

1:08:05:18 A I don't know.

1:08:05:24 Q The World Trade Organization?

1:08:08:27 A I don't know. Are they involved with
1:08:14:22 this too?

1:08:19:06 Q Dr. Selikoff's position was on the
1:08:20:15 ability of Chrysotile to cause mesothelioma?

1:08:24:16 A Well, I think back in the early '80s
1:08:27:15 Dr. Selikoff used to say that we are not out to
1:08:30:06 close down the asbestos industry, we are here to
1:08:32:22 control it and get good working conditions in the
1:08:35:09 place so that we don't have any asbestos-related
1:08:37:25 diseases. That's what I thought the Dr. Selikoff
1:08:40:19 said, so at that time I don't believe he thought
1:08:43:00 that the Chrysotile would cause the mesothelioma.
1:08:49:00 That's what I thought.

1:08:50:19 Q Well I disagree with what you said about
1:08:57:15 him, but --

1:08:59:24 MR. KRAUSE: That's really great to
1:09:01:22 have on the record. We are all delighted
