Thanks Danny, Tate, and others.

Mike Starkey's brother is David. He wasn't with us during the EPA Administrator's visit to the Starkey Farm.

The other family member present was Jeff Starkey, Mike's nephew and farming partner.

I hope this helps. Tate, I hope you were on the first EPA-NASDA Conference Call yesterday. My colleagues from the states and I love the collaboration -- "Cooperative Federalism" as we call it, that is being administered by Team US EPA. Thank you, and thank you again.
