Subject: Introduction of Andrew Wheeler at NERO lunch this week

Hi All,

I will be introducing Administrator Wheeler at the NERO lunch on Wednesday. We have had strong interest in this lunch and are looking forward to a great event. We currently anticipate about 150 people, including approximately 50 Hill staffers.

I am writing to invite your input on what you would like that introduction to look like. Andrew has many career accomplishments and EPA has established a strong record under his leadership – so there is much to choose from! I want to be sure to highlight what the Administrator and his team want highlighted.

I welcome your suggestions, including talking points if you wish to provide those.

Regards,
Marnie Funk
