Hi [REDACTED]

I would like to go through the feedback for AC-2000 but am happy to post-pone if you have not had chance to review yet. I was also going to mention the potential use of a PPROD for AE-3000 but this is not urgent.

I am happy to rearrange for 2 weeks' time, 17th March. Is that ok?

Cheers,
[REDACTED]

Good morning [REDACTED]

Do you have anything you need to discuss this morning? I don't have an update as I haven't started on PFBE yet, so if you have nothing pressing could we cancel?

Kind regards
