Hullo Jim

For attribution to “an EPA spokesperson,” please:

Title II of the bill funds the EPA at \$8.058 billion which equals the FY 2017 Enacted budget. Additionally, the Congress provided \$766 million to the Agency separately designated for Infrastructure investments to the States. Combined together, the total Agency funding is \$8.824 billion. In Division G – Department of the Interior, Environment, and Related Agencies Appropriations Act, 2018 – the bill includes a detailed break out of EPA’s budget on pages 89hh through 89kkk.
