**Subject:** CERCLA 108(b) - additional iron ore comments  
**Attachments:** CERCLA108(b)Comment by U. S. Steel.pdf; EPA - Reps. Nolan & Bergman - CERCLA108(b) Iron Ore Letter\_170731.pdf

Paul Balserak previously consolidated iron ore related comments into one email and shared with you. Attached are two additional documents. The first are the comments that were officially filed by U. S. Steel Corporation on the draft rule. The second attachment is a bipartisan Congressional letter sent to Administrator Pruitt on Monday from Representatives Rick Nolan (D-MN) and Jack Bergman (R-MI) expressing concern on the inclusion of iron ore in the draft rule.

Best regards,  
Todd
