Dear John,

As a result of Sid Jenkins visit to Cleveland last year, he is now on a VCM/PVC mailing list of reports issued by the law office of Keller & Heckman. It dampens my pride somewhat to be sent copies of these currently very informative reports by Buckley & Young and also ICI Australia. I refer particularly to reports Nos. 8, 9 and 10 published in late December.

I assume you or someone in Cleveland must be on this mailing list as I understand they represent SPI.

Can you arrange to have me added to the mailing list so that such reports are airmailed to me immediately on publication.

Regards,

Harry E. Boland
