

On November 29, the Board considered the following new cases:

PCB 71-366 The Kankakee Foundry Company v. EPA

Petitioner seeks a variance for one year in which to comply with emission standards at its grey iron foundry. A hearing was authorized.

PCB 71-367 EPA v. Consolidated Foods Corp. and Hollywood Brands

An enforcement action alleging various acts of air pollution at the company's Centralia, Illinois plant. A hearing is mandatory.
