Dear Dr. Levinskas:

I am enclosing the revised tumor tables for the Aroclor paper that we discussed during your visit on January 15, 1976. You will notice there are two tables with the same data. One table is a listing of tumors by organ system, as you suggested, to replace the original table. I think I also prefer the former although it will require more space when printed.

Should you have any further questions, please contact me.

Sincerely yours,

Donovan E. Gordon, D.V.M., Ph.D.
