FILE NAME: International Harvester (INTH)

DATE: 1980 Jan 31

DOC#: INTH039

DOCUMENT DESCRIPTION: Memo - Asbestos

Louisville Foundry

FOUNDRIES
COMPONENTS GROUP

TO: Mr. L. Navarre, Roberts Corporation

FROM: L. F. Strickler

DATE: January 31, 1980

SUBJECT: "Asbestos"

This is to advise you and your sub-contractors that International Harvester's health and safety rules strictly forbid the use of asbestos materials of any type within facility.

This includes permanently installed material and temporary protection during construction.
