TO Cumming Paton - St. Louis CC E. H. Fording - N.Y.
J. R. Beightol - N.Y.
J. R. Darby - N.Y.

Contacted: Sid Schacter, Technical Director

Objectives: Discuss plasticizer needs.

Results: This a small producer of adhesives, caulks, sealants, etc. began operations in early 1969. Schacter is a former employer of Essex Chemical, and seems very knowledgeable in these products. Due to their small size, Garon currently purchases Aroclor and drum plasticizers from Amsco.
