Sydney – the Governor would like to discuss CERCLA 108(b) hard rock mining regulations, a local mine that we've been working with EPA Region 9 on (to avoid Superfund) and funding for the EPA delegated programs for air and water.

On the logistical side, we will have a Virginia State Police officer driving us, but I've told him that we don't need him to accompany us in the building. However, would it be possible to have a space for him to park while he waits for us? Could you let me know the best place to enter, etc?

Thanks!

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed

this with earlier today as well.

Got it. If you are wanting to do the 26th, the only thing we have that day is the 11:45. No chance of that working?

Thanks!!

He is in DC that day, so we figured we would take advantage of that.

Sydney – any chance that the Administrator has time avail after 12? The Governor is scheduled to be with the Attorney General at 11am, and while DOJ is close to you guys, I worry about putting those too closely together. I don't want to run late for your boss.

Thanks for any flexibility you might have!

Good afternoon Ryan,

Hope this email finds you well! Doug Hoelscher asked me to reach out to you regarding a follow up call between Gov. Sandoval and the Administrator. He offered the 26th of April as a possibility. Would 11:45 work that morning?

Thank you!
