Two other quick questions, and then I'll stop bothering you:

What time is the UP event Friday afternoon?

And, how many staff will you be traveling with? I'll line up lunch for everyone on Friday, for those that aren't directly involved with the meeting.

Thanks,

Matt

Matt – that was to be an actual stop in at the station but it has fallen off the schedule. We will no longer be including that stop on our agenda.

Just for my clarification, I noticed on the itinerary, there is a 07:40 KFAB interview prior to the 08:00 stop in Lincoln. Is the radio interview via phone, or is that an actual stop at the station, which is in Omaha?

Thanks,

Matt

Matt, apologies for getting back to you later than I promised. Here's the latest draft schedule for the EPA visit to Nebraska later this week. It's already getting reworked, but nothing firm yet. Hit me up with any questions, and be prepared for last-minute changes. I'll let you know anything as soon as I find out, and thanks for your help.
