Abex Requirements

New timing must be established for the introduction of the integrally molded material. Due to energy complications it has become necessary for Abex to make an additional 42,000 riveted assemblies.

Kelsey-Hayes shipped 10,000 shoe plates to Abex for the IME program on February 21, 1978.

NEXT MEETING WILL BE HELD MARCH 9, 1978 AT 9:30 A.M. IN CHASSIS CONFERENCE ROOM B.
