Hi Ryan:

I got your name from John Swartout in Governor Hickenlooper's Office. He said you could point me in the right direction. I am on the board of the Colorado Agricultural Leadership Program and we have a group of our students who will be visiting Washington DC on Sept 19th and would like to sit down with someone at EPA to discuss Waters of the United States. Can you give me the name and contact person I can put them in touch with to schedule a visit please?

Thanks for your help - Tracee
