Dear Mr. Roush:

Thank you for your letter of December 31, 1970 requesting membership in the Vinyl Chloride Safety Association.

Attached is a copy of the by-laws, which you may not have, which states in Article 4 that anyone - - - may be a member provided the Secretary is notified by an officer of the company, etc. Involvement by an officer of the company is felt necessary for the protection of all concerned.

Could you please have the letter resubmitted by a company officer - or a copy of your letter counter signed by an officer of the company with his title. Your original letter is attached if you prefer the second alternate.

Sincerely,

W. W. Madden, Coordinator
