A. T. Raetzsch

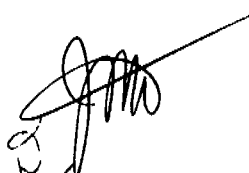

Date: January 2, 1975
From: J. A. Clapperton
Location: 19 East
Subject: Air Monitoring Schedule

I would like to receive your 1975 projected schedule of monitoring for environmental health at your plant. This list should show the compounds to be monitored, monitoring frequency, and whether these are personnel or area samples. I would appreciate your response by January 24. Please carbon copy Dr. Zeb Bell with your response.
