Neal,

Thank you for circling back here. I will be the POC that day and would be glad to set aside some time this week to go over logistics. May we do Tuesday? We are traveling tomorrow and will not be back until late.

Look forward to discussing.

Hi Millan,

We are very much looking forward to the Administrator providing remarks

as part of the TXOGA Lone Star Energy Forum program on Thursday, October 19th at 6:30pm at The Woodlands Resort. We're just two weeks away and I wanted to circle back to cover logistics. We have him on our agenda from 6:30pm to 7:00pm in the Grand Ballroom. All attendees will be seated at round tables and salads will be served immediately following his remarks.

I understand he will need to be out the door right at 7pm but what time will he arrive on the property? Will he have a security detail with him and do we need to provide any additional information leading up to the event? Please share a day-of contact and let me know if you have any questions. Happy to set up a call to discuss further if you would like.

Best Regards,

Neal Carlton

Absolutely. We would be happy to push to 6:30PM and appreciate the more private setting.
