Comments:

Dear Mike:

We have been asked to remove Ronald T. Hagkull as the Energy Contact for 3M. We have been asked to replace Mr. Hagkull with Mr. Steven C. Schultz.

As Executive Contact for 3M, only you are authorized to appoint program and issue contacts. If this change is correct, or you would like to name another replacement for this responsibility, a short note on this sheet faxed back to me is sufficient for my records.

Thank you for your help in this matter.

Sincerely,

John P. Connelly
Director, Member Relations
Corporate Secretary
