Subject: Clean Water Act -- Fourth Way Study

Lee,

It was good to see you, however briefly, at the Oil and Gas Roundtable in Denver. I wanted to follow up on a couple of items.

First, you indicated that the Fourth Way study would be kicking off soon. I wondered if you have a status report on the study.

Second, a number of member companies are interested in getting involved in the study in some manner and I'd like to facilitate that effort.

Thanks,

Lee
