Subject: SHS Paint Manuscript Published

All,

The paint manuscript has been published! A PDF is attached.

I will forward reprints (when they arrive) to US co-authors and to Prof. Liang. Prof Liang has agreed to distribute the reprints to our Shanghai colleagues.

Thank you all for your help. This is a good paper.

(See attached file: 914905086[1].pdf)

The citation is: Journal of Occupational and Environmental Hygiene, 6:
659-670

By copy to Russ White, please forward to the SHS SRP. Thank you.

Regards,

Stephen Bowes
