Dear Sir:

Re: National Lead Company - Puerto Rico
Trademarks DUTCH BOY PICTURE and DUTCH BOY
Regns. Nos. 4381 and 4382

We beg to advise that the above mentioned
registration becomes due for renewal on June 28, 1958.

If there has been a change of proprietorship
since the original registration was effected and no proof of
such change has been recorded, it will be necessary to do so
when filing application for renewal. This notice is sent
sufficiently far ahead of time to permit of consideration of
this aspect of the situation and of its clarification if any
complications affecting the change of title have arisen.

Our charge for effecting the renewal is \$72.00,
each.

This includes the cost of furnishing a certified copy of the
home registration if that is required.

We shall be glad to inform you of the cost
of recording any change of proprietorship which may have
taken place on being advised of the present ownership of the
trade mark.

Yours very truly,
