

Cadets of the Monterey Flight, Civil Air Patrol, will hold their first meeting tonight in their new headquarters in the old administration building at the Monterey Peninsula airport. The meeting will begin at 7:30. Here Pat Bacchino wields the hammer, helped by Alice Squires (left) and Betty Bacchino to put up the headquarters sign. Looking on are Lt. C. F. Dimeo, commandant of cadets, and Cadets Jerry Bailey and Bob Adam.

Iranian Professor Evaluates Tense Oil Squabble

"In event," he said, "we are not following British example in nationalizing our oil. Consumer boycott interference simply encourages Communist disturbances which are not a long-term threat because the people of Iran are for Iran first.
