Scott,

Hope all is going well.

I recently attended the FED100 Awards and connected with a longtime friend from GSA whom was a frequent Potomac Forum speaker on IT subjects and managed “Seat Management” for GSA/FAS. I know you remember “Seat Management”!!!! I still believe in it.

Wanda mentioned that she is now at DoI and I shared that another friend of mine was back in government with the Administration at Interior. I thought I would connect you both as she is working in an area which I thought you may be interested in. Wanda is very smart and dedicated - a great person!!!

Hello Scott

I am wondering if there is a time later today or tomorrow when we might connect briefly by phone and/or I am happy to set a time to meet with you in person whenever your schedule allows next week. Following from our October meeting, some materials are in process and I can give you an overview and update when we speak.

Dear Scott --

Just a quick check-in to wish you a Happy Thanksgiving and to confirm that we are in the process of preparing what we hope will be useful input pursuant to some of the ideas discussed on October 23. It is hard to believe that we are up to Thanksgiving already (it sounded so far away when we met) and I recall your kind offer to meet around now. I suggest that you and I set a time to talk by phone early in December if this would work for you when I will have more to relay. In the meantime, wishing you a great holiday.

Best, Barbara
