Dear Sir,

Sixth Commonwealth Mining Congress.

Thos. Cook & Son have now submitted an itinerary covering the proposed overseas trip of Mr. Thomas in September.

We are enclosing a copy of this itinerary for your comment, which if found acceptable will be adopted and Cook's asked to finalise all details of air travel and accommodation.

It is understood that all charges for the Congress and the necessary travel accounts to and from Canada can be paid through the above firm in Australian currency and it appears to us that this would be the simplest method to adopt. With this in mind, we propose to forward the Congress account to Cook's in order that one composite account can be submitted.

It is also necessary to approach the Exchange Control for a special dollar allocation covering personal expenses and costs of accommodation and travel not included in the Congress itinerary, and we consider Cook's may handle this matter whilst attending to other details.

An early reply would be appreciated in order that further details may be finalised.

Yours faithfully,
AUSTRALIAN BLUE ASBESTOS LIMITED.
