Agape Corporation
189 East Seventh Street
Paterson, New Jersey 07500

Attention: Mr. W. Britton

Dear Bill:

You are probably aware by now that the Occupational Safety and Health Act of 1970 is going to be enforced in the very near future.

In order for us to comply with these regulations, we need to have safety information concerning the products that we are currently buying from your company.

Therefore, we would like you to fill out all the necessary information, utilizing Material Safety Data Sheet HPSLA 6-70.

Attached is a copy of this form for your convenience. Your prompt attention to this matter will be greatly appreciated.

Yours very truly,

WHITTAKER, CLARK & DANIELS, INC.

Enco Chemical Corporation
444 East Main Street
Mt. Kisco, New York 10540

Attention: Miss Eileen Spazzano

Dear Miss Spazzano:

You are probably aware by now that the Occupational Safety and Health Act of 1970 is going to be in force in the very near future.

In order for us to comply with these regulations, we need to have safety information concerning the products that we are currently buying from your company.

Therefore, we would like you to fill out all necessary information, utilizing Material Safety Data Sheet Form L98-006-4 or NFPA 6-70. Also, you could write for information on these Material Safety Data Sheets to the United States Department of Labor.

We have found that the National Paint Varnish and Lacquer Association has come out with a bulletin No.36, dated August 28, 1971, which fully explains how to properly fill out these forms. Perhaps you may want to get a copy.

Your prompt attention to this matter will be greatly appreciated.

Very truly yours,

WHITTAKER, CLARK & DANIELS, INC.
