SUBJ: ABERDEEN INDUSTRIAL HYGIENE AUDIT

Aberdeen
VISTA

I would like to schedule an industrial hygiene audit of the Aberdeen plant the week of September 23. Initial conversations with Al Sather indicate this would be an acceptable time for the plant. The audit should take 2 - 2½ days to complete. The program will be somewhat revised from the last audit and details will be sent to the plant well in advance of the audit date. Sid Pitts and I will do the audit.

Please confirm the above date so a specific schedule can be arranged.
