Subject: EPA Releases Guidance on Reporting Air Emissions of Hazardous Substances from Animal Waste at Farms

FYI. The link in the news release...

"The EPA guidance information includes links to resources that farmers can use to calculate emissions tailored to specific species of livestock. To view EPA's guidance and Frequently Asked Questions on reporting air emissions from animal waste: <https://www.epa.gov/epcra/cercla-and-epcra-reporting-requirements-air-releases-hazardous-substances-animal-waste-farms>.

Links to nothing.
