"Q My question is what do you believe dioxin can cause on health affect on a long term basis or aggravate these health problems?

"A Okay, I believe that on a long term basis dioxin causes chloracne.

"Q Period?

"A Period.

"Q And nothing else?

"A Long term, nothing else." (p. 87)

"Q Is it your belief, Doctor, that chloracne is the only thing that can be caused on a long-term basis by dioxin?

"A Yes." (p. 92)

Transcript, May 12, 1987:

"Q Doctor, you are still maintaining, sir, that chloracne is the only long-term health effect in view of this report, sir. Do you still maintain that, sir?

"A In terms of what I have said before, I would go with what I have said before." (p. 46)
