Re: APR Operating, LLC, Permian Basin Facilities in Texas;  
Administrative Compliance Order on Consent, Docket No. CAA-06-2020-3423.

Dear Ms. Estes:

On August 3, 2020, APR Operating, LLC ("APR") entered into an Administrative Compliance Order on Consent ("AOC"), Docket No. CAA-06-2020-3423, with the United States Environmental Protection Agency ("EPA") to resolve certain alleged violations of the Texas Administrative Code, which had been adopted into the Texas State Implementation Plan. Pursuant to the AOC, APR agreed to specific requirements as outlined in paragraph 29 to be completed within 180 days of the AOC Effective Date (i.e., no later than February 3, 2021).

EPA has received and reviewed your final letter report, required under AOC paragraph 29.c., of all work completed under the AOC, dated January 20, 2021. Upon review, EPA hereby confirms that you have completed all requirements under the AOC satisfactorily. Should you have any questions regarding close-out of this AOC, please contact me Brandon Bammel at bammel.brandon@epa.gov or (214) 665-8545.

Sincerely,
