Steve –

Nick Calio (A4A CEO) and I are looking forward to meeting with you on Monday! I've attached a 2 page backgrounder that gives an overview of our policy priorities and what we hope we can touch on at a very high level. If you want more detail, I've also attached a draft of a letter I'm working on to send you re: regulatory reform and also the transition memo we shared with the transition team and S1 back in December. Our real goal is simply to let you know how thrilled we are to have you in the role of Deputy Secretary and understand better how we can assist in accomplishing the Administration's goals for aviation.

Let me know if you have any questions, see you on Monday!

Sharon
