RECEIVED

APR 26 1966

W. W. MADDEN

Gentlemen:

My letter of April 1, 1966, suggested that all PVC producers meet informally for the discussion of safety problems sometime during the week of May 9, 1966.

I now find that it is impossible to hold the meeting at this time, but hope that such an informal discussion can be arranged for some future date.

Sincerely,

ALLIED CHEMICAL CORPORATION
