Art,

Your email somehow ended up in my spam folder. Would be happy to get together for lunch next week. The budget is coming out tomorrow so this week is high pressure. Maybe Tuesday 2/20?

Thanks,

Scott

Scott,

Hope you are doing well. DOI is lucky to have you back in government.

Wanted to share that earlier this week Potomac Forum had a very successful in-house training workshop: *Supervisory Fundamentals for Managing Performance and Conduct* for the National Park Service.

Tony Nguyen who, I believe is the CHCO equivalent at the Park Service, asked Potomac Forum to present the training for the Park Service leadership and it went very well. I really enjoyed working with and coordinating with Tony. He has been one of our guest government speakers over the last year or so at our Employee Engagement and other HR workshops. I am impressed with him!

I was going to stop by your office after the workshop, but did not want to take the chance of interrupting you. I love the Interior building - So much history!

Soo, hope we can get together for lunch or dinner over the next couple of weeks. Please let me know some good times. I have lots to share with you.

I thought about going into the Administration but can't because of my CSRS retirement and I don't want to work so hard (I would be spending 12 hours in the office and all my waking hours at home working so much to do and I know too much (You know what I mean!!!)).

My very best and good luck with your new position. I looked you up to find your email address. I am very happy for you, Interior and our Country.
