Dear Les:

In re: v. Sherwin-Williams

As Steve Borgstrom has indicated, there is a very real probability that this case will be heard by the arbitrator on 9/5/85 in Litchfield. I will want you there as a witness. We will need get together sometime during the week of August 26. I won't be in town on the 26th, and I believe will be unavailable on the 28th. Accordingly I would like to get together with you either on Thursday, August 29 or Friday, August 30. Why don't I call you when I get back in the office on the 27th and we will make some arrangement.

With best regards, I am

Very truly yours,

Robert L. Mueller

John Larsen has furnished me a copy of the Russian article on zinc oxide. It is not a very good copy so I have had difficulty translating it. Actually, I have located someone in Springfield who apparently can translate it. It is indeed a very poor copy and I have asked Larsen to send a better one. It is not a long treatise. I think we should have our own interpretation of it. I am not sure what Larsen plans to do with it since it is not admissible unless I agree to it. We might trade off favors and introduce ours against his.

The last time I saw Larsen he asked if we were interested in settling this case. I mention this to you now for whatever interest Sherwin-Williams might have.
