My dear Mr. Russell:

Your letter of October 26, addressed to Mr. H. L. Miner of our Safety Department, has been forwarded to this office. I in turn am forwarding this letter to Dr. Robert A. Kehoe, of the Ethyl Gasoline Corporation located at the Kettering Laboratory, University of Cincinnati, Cincinnati, Ohio. Dr. Kehoe has spent many years of research and clinical investigation both on the subject of tetraethyl lead and ethyl gasoline; and there is no one in the country more competent to give you information which you seek than he.

I trust that you will hear from him within a very short time.

With my very kindest regards, I am

Yours very truly,
