Beauty by the gallon . . .

6.79 gallon 2.20 quart

Until you've tried Super Kem-Tone, the deluxe washable latex wall paint, you don't know how easy or how fast painting can be done . . . or how beautiful the results can be. Applied with Kem Roller-Poster, it's even faster and more beautiful. Super Kem-Tone goes on smoothly. One coat is usually enough, and it dries in a half hour.
