Awesome. Let us secure a room on the House or Senate side and get back to you. Much appreciated.

Excellent. Thanks

Alex, the Washington Coal Club is a bipartisan group that seeks to support the coal industry and educate Hill staffers about issues related to coal. We would love have Many come and speak to our group. I understand Mandy has some travel in October, but if you could shoot me a couple of days where Mandy has some availability over lunch, we will work to accommodate those. Much appreciated

Mandy—

Left you a message. Do you have time to discuss a speaking opportunity at upcoming bi-partisan Washington Coal Club event? Thanks
