Hey Aaron,

I'd be happy to meet with you. I'm looping in the scheduling team to help iron out the logistics. It would also be good to compare notes on the panel discussion.

Emily, in addition to the meeting, can you find a time for a quick 15 minute call with Aaron some time before the 30th.

I look forward to seeing/talking to you soon.

Best,

Mandy

Mandy,

Joe Stanko just let me know that he mentioned to you that one of my clients, GPA Midstream, has asked if we could set up a relatively short meeting to discuss greenhouse gas reporting requirements with you. Matt Hite, GPA's VP for Government Affairs has one of his members, Adrienne Sandoval from Andeavor, in town next week on Nov. 29th and 30th. I realize that is very short notice for someone with as busy a calendar as you. I thought, however, that since we'll be on a panel together at Hunton's Nov. 30th event, perhaps we could all meet a little before that. Of course, we can always set up a call or a different meeting date if you're fully committed.

Speaking of the Nov. 30th event, I'd be happy to coordinate with you on that if you'd like. In the meantime, I hope you have a great Thanksgiving.

Best,

Aaron
