Attn: Mr. Felipe R. Montiel

Dear Mr. Montiel:

I just received a letter from Ing. Camilo Martinez de E., Plant Manager and Ing. F. R. Montiel Ortega in Safety and Training informing us of your companies decision to become an active member of the Vinyl Chloride Safety Association.

I am happy to receive Polimeros de Mexico as a member and am looking forward to meeting you as their representative at our next meeting in October at San Francisco, Calif. I will keep you informed as to the detail of the next meeting.

Very truly yours,

H. G. Olson, Secretary
