DOCUMENT DESCRIPTION: Memo RE 4051 Ready Mixed All Purpose Joint Compound

KELLY-MOORE MEMO

TO John Wiseman FROM Svend Stubb DATE 5/10/78

SUBJECT 4051 READY MIXED ALL PURPOSE JOINT COMPOUND

The Hurst Plant is current manufacturing 4051 Ready Mixed on a D formula. You should discontinue the manufacture of this formula immediately.

You are to start manufacturing 4051 on the A formula for distribution to the Texas Districts and to Denver. Your current manufacturing costs for this formula should be given to Shirley Beavers so that selling prices can be determined.
